

What is the...

SC COMBINED APPLICATION PROJECT (SCCAP)?

A project that makes it easier for seniors and disabled people who get Supplemental Security Income (SSI) to get food assistance.

WHO QUALIFIES?

You may receive food assistance if you:

- Get SSI;
- Are not working; and
- Live alone or buy and fix your meals separate from the other people you live with.

HOW DO I APPLY?

- You can apply for food assistance at the same time you apply for SSI at the Social Security office.
- You don't have to go to a DSS office to apply.
- If you are already getting SSI and are not receiving food assistance through the Food Stamp Program, you can fill out a simple application and mail it to the SCCAP office.
- Once you are approved, your food benefits go into a special account and we send you a green EBT card to use every month for buying groceries. Your EBT card works just like a bank debit card.
